## PROFILE

Highly motivated and Detail-oriented Software Engineer with hands-on experience in various web development projects. Proficient in Java, HTML, CSS & JS with a strong ability to design, develop, and optimize user-friendly applications. Passionate about building efficient, scalable solutions and contributing to dynamic software projects that deliver business value.

## EDUCATION

### RV College Of Engineering

B.Tech - *Electronics & Communications Engineering*

CGPA: 6.52/10

Bengaluru, INDIA

Aug 2024

### Narayana Junior College

Intermediate - *MPC*

GPA: 8.52/10

Ongole , INDIA

Jun 2020

### Nirmala Concept School

10<sup>th</sup> Standard - *General Studies*

GPA: 10/10

Ongole , INDIA

Mar 2018

## TECHNICAL SKILLS

- **Programming Languages:** C++, Java
  - **Database:** MySQL
  - **Software:** VS Code, Excel, MS Word
- Web Technologies:** React.js , Node.js , CSS

## EXPERIENCE

### Java Full Stack Intern

*Codegnan Destination*

December 2024 – Present

- Gained hands-on experience in Java Full Stack development, covering front-end, back-end and database technologies
- Worked on real-time projects to enhance coding, debugging, and deployment skills.

## PROJECTS

### Intelligent Irrigation System Using ML

Bengaluru, INDIA

- Developed a prototype consisting of DHT11 and soil moisture sensor. The measured values are taken from the sensors and fed into the web server.
- Used Firebase to build, deploy, and scale mobile and web applications.

### Weather Application - [Live Demo](#)

Bengaluru, INDIA

- Developed weather application showcasing proficiency in front-end technologies.
- Successfully designed and implemented a user-friendly interface, that retrieves real-time weather data through a JS API, delivering accurate information on weather conditions, humidity, and wind speed.

### Hotel Booking - [Live Demo](#)

Bengaluru, INDIA

- Built a responsive hotel booking website that allows users to select dates, check room availability, and view per-night costs dynamically.
- Included a detailed section showcasing the food services offered, enhancing the user experience with informative and interactive content.

## POSITIONS & RESPONSIBILITIES

### Student Volunteer - National Service Scheme

- Organized the flagship event 'Utsarga marathon' and also did contribute to the Design team & Publicity.

### Student Member - Coding Club

- Attended few Workshops on upcoming technologies such as BlockChain ,Cybersecurity & Other Seminar held in the club

## HONORS & INVOLVEMENT

- Secured a 10/10 GPA in 10th standard, placing in the top 5% of students..
- **Responsible for the Success of NSS flagship Event** Utsarga Marathon in our College .
- Published a Review Paper on "ML Based Spectrum Sensing & Spectrum Management Using Blockchain" at **IJSREM** Journal.
